**NOTICE**

***Sub: - Submission of Preferences for Minor, Multi-Disciplinary and Skill Enhancement Courses on the Centralized Admission Portal (JKAdmissions.in).***

It is hereby notified for the information of all UG 1st Semester students (Batch 2026) who have completed the admission formalities, including payment of the admission fee and physical verification of documents, that the submission of subject preferences for **Minor, Multi-Disciplinary (MD) and Skill Enhancement Courses (SEC)** is now open on the Centralized Admission Portal @ <https://jkadmissions.in>.

All enrolled students are directed to log in to their respective JK Admissions accounts @ <https://jkadmissions.in> and submit their subject preferences at the earliest to facilitate the timely allotment of these courses.

Students are advised to exercise their preferences carefully, as the allotment of Minor, Multi-Disciplinary and Skill Enhancement Courses shall be made strictly on the basis of merit, availability of seats and the applicable admission guidelines.

It is pertinent to mention that the primary objective of the Multi-Disciplinary Course (MDC) is to broaden students' academic horizons beyond their core discipline. Accordingly, the MDC must be chosen from a discipline other than the student's Major and Minor, and should also be different from the subjects studied at the 10+2 (Class XII) level.

Failure to submit the subject preferences within the stipulated time may result in delayed allotment or non-allotment of these courses. Therefore, all students are advised to complete the process well before the last date.
